About us

HMD Global Oy is the home of Nokia phones. A start up founded in Espoo, Finland, we are a collective of passionate and experienced people including some of the most talented and well-recognised leaders in the mobile industry today. Our aim is to create amazing mobile technology for everyone.

We design and deliver trusted and innovative products under the iconic Nokia brand; products that are created to meet the diverse needs of global consumers, that are useful for everyone and that make life more exciting and inspiring for these consumers and our shared communities.

We do this by bringing together the best of the industry to leverage world-class partnerships with manufacturers, operating systems, brands and suppliers.

Consumers today are seeking relationships with brands that they can trust. The Nokia brand has over 150 years of heritage giving it an authentic, differentiating experience which we are proud to introduce to a new generation of mobile fans. We are proud to be writing the next chapter of the Nokia phones story.
